

KERRY CHRISTENSEN travels around the country performing alpine and cowboy yodeling year round. He accompanies himself on the chromatic accordion or guitar and plays other traditional Alpine instruments such as the cowbells, alphorn and zither. He appeared for seven years at Walt Disney World's Epcot Center in Florida and has traveled to Canada, Europe, the Caribbean and the Pacific entertaining at Oktoberfests, folk festivals, fairs, and cruises. His yodeling style is acrobatic and lively and his audiences are always enthusiastic.
